Thank you very much for your excelleny service, we were absolutely delighted with the marquee and appreciated all the planning anf hard work that went into it. Its difficult to be sure, before everything comes together, that the picture you have in your mind of how things will be is accurate-but we were absolutely delighted to get exactly what we had hoped for - a traditional and extremely elegant marquee that suited the site perfectly.

Outstanding Superb and second to none just dont seem to do you justice.
